Pittsburg, Pennsylvania

Dear Posey:

Please let me know as soon as possible where you are taking us June 11th, 12th and 13th. We can play each other in Richmond the 15th, and if we are in North Carolina or Virginia I am sure I can find some spot for the 14th for myself. This is the date you are in Washington with another club.

Please let me know about this as soon as possible so I can line up somebody else for Richmond the 15th if you won't be able to play us there.

Very truly yours,

EFFA MANLEY
